SEDALIA BANK GOES DOWN. The First National Fails on Account of a

Bumor. SEDALIA, Mo., May 4 .- The First National bank of this city, one of the oldest financial institutions in central Missouri, failed to open its doors for business this morning. The bank had a capital of \$250,000 and was supposed to have a re-

serve fund of \$25,000. The cause of the suspension is attributed to loss of the business brought about by the publication in a St. Louis paper some months ago of a "fake" tele-

gram from this city stating that the bank had failed. Other banks became suspicious, and the credit and the standing of the First National became impaired. It is the general impression that all depositors will be paid in full. None of the other

The Taggart-McNulty Trouble in Another Phase.

The cases of Taggart against McNulty and McNulty against Taggart have been decided by the board of arbitration, composed of Major Wm. Sims, Ed Mitchell, F. A. Kiene, H. E. Larimer and C. P. Bol-

The trouble sprung from a trade of real estate made between McNulty and Taggart, who are brothers-in-law. Nulty traded a farm in this county for

Pittsburg, Pa., property.

The board awarded Taggart damages amounting to a little over \$800, and the trade was annuled. Taggart was given until the 15th inst. to vacate the farm. As soon as the result was known Mc-Nulty began to move his property back on the place in spite of protests from Taggart, and today he swore out a warrant for McNulty's arrest.
